Makarim & Taira S. Appoints Reagan Roy as Newest Partner

JAKARTA, INDONESIA, 15 March 2024 — Makarim & Taira S., a leading law firm known for its commitment to nurturing top legal talent, proudly announces the appointment of Reagan Roy as its newest Partner.

For over 40 years, Makarim & Taira S. has been instrumental in cultivating promising Indonesian lawyers, providing them with a solid foundation to excel in their careers. Today, the firm is thrilled to welcome Reagan Roy to its esteemed partnership.

Reagan brings a wealth of expertise to his new role, particularly in the areas of data protection, franchising and licensing, and employment law. His proficiency in contract drafting, compliance, and legal structuring has been honed through years of experience. Additionally, Reagan has made significant contributions in corporate mergers & acquisitions, media and entertainment, intellectual property rights, hospitality, consumer goods & services, foreign investment, and general corporate practice.

Notable projects in Reagan's portfolio include the acquisition of payment processing companies by a tech solutions provider and the merger of two leading chemical corporations.

His academic background includes degrees from Curtin University and Universitas Indonesia, earned in 2006 and 2011, respectively.

Reagan is renowned for his commitment to delivering practical and effective legal solutions tailored to meet clients' needs. His dedication to excellence and client satisfaction aligns seamlessly with Makarim & Taira S.'s values and ethos.

"We are pleased to welcome Reagan to our partnership," said Maria Sagrado, Managing Partner at Makarim & Taira S. "His diverse expertise and unwavering dedication to client service make him an invaluable addition to our team. We look forward to the continued growth and success Reagan will bring to our firm."

Reagan Roy's appointment reaffirms Makarim & Taira S.'s commitment to fostering top legal talent and delivering exceptional legal services to clients across Indonesia and beyond.
