

An In-Depth Exploration of Banking & Finance

We are pleased to announce the release of our latest publication in partnership with Chambers and Partners, titled "INDONESIA: An In-Depth Exploration of Banking & Finance". This comprehensive work is authored by our Partners, Maria Sagrado, Frederick Simanjuntak and Stephanie Kandou, along with our Associate, Ivan Juan Alfreda.

Within this authoritative guide, we provide insights and international perspectives into Indonesia's banking regulations and investment opportunities, as well as a comprehensive overview of industry trends.
