

Celebrating the Women Who Lead and Inspire: Kartini Day at Makarim & Taira S.

In Makarim & Taira S. we recognize that progress is only possible when everyone has the same opportunity to grow — and that includes creating space for women to lead, contribute, and thrive.

This Kartini Day, we celebrate not only the legacy of R.A. Kartini but also the remarkable women of our firm whose dedication and leadership continue to have a meaningful impact in the legal profession and beyond.

We are proud to cultivate a culture in which inclusivity is more than a value, it is a lived experience. One in which all voices are heard, and every individual has a chance to shape the future.

Happy Kartini Day to all Indonesian women.
