

Connecting the Asia-Pacific: Maria Sagrado Shares Insights at ABA 2025 Conference

On February 26–28, 2025, our Managing Partner, [maria sagrado](#), had the opportunity to speak in the ABA 2025 Asia-Pacific Conference on "Connecting the Asia-Pacific and the World: Emerging Legal Challenges and Opportunities."

This conference was held at Singapore Management University Administration Building Singapore for legal professionals to discuss pressing regional issues. Maria contributed to the session on "Singapore: a Safe Harbor and Springboard (CLE)."

We appreciate the meaningful discussions and connections made during the event.
