

DNA Symposium 2025: Debuting in Indonesia to Shape ASEAN's Economic Future

After successful runs in Singapore, the [Drew Network Asia](#) (DNA) Symposium is making its debut in Indonesia!

Hosted by [Makarim & Taira S.](#), a leading Indonesian law firm and proud DNA member, this dynamic forum will bring together industry leaders, investors, and policymakers to discuss Indonesia's future, ASEAN's next chapter, and pathways for sustainable growth.

Key topics include the new government's strategy in priority sectors such as agriculture, health, and energy; opportunities for investors; and an in-depth dialogue on the role of Danantara in national development.

Join us in Jakarta to exchange insights, strategies, and ideas — and connect with DNA lawyers, the legal powerhouses from across the region: [Drew & Napier LLC](#) (Singapore), [Makarim & Taira S.](#) (Indonesia), [Shearn Delamore & Co.](#) (Malaysia), [Martinez Vergara & Gonzalez Sociedad \(MVGS\)](#) (Philippines), and [Tilleke & Gibbins](#) (Cambodia, Laos, Myanmar, Thailand, and Vietnam).

? Thursday, 2 October 2025

? The Fairmont Hotel, Jakarta

? By Invitation Only

? For inquiries, please email dnasymposium@makarim.com.
