

M&T Partners Authored The 2022 Legal 500 Lending & Secured Finance Country Comparative Guide

Our partners, [Maria Sagrado](#), [Frederick Simanjuntak](#) and [Stephanie Kandou](#) recently authored The Legal 500: Lending & Secured Finance Country Comparative Guide for the Indonesian jurisdiction. The guide aims to provide its readers with a pragmatic overview of the lending and secured finance laws and regulations that apply across a variety of jurisdictions. The Indonesian chapter of this guide provides information about foreign lenders, interest, security registration requirements, guarantees and tax incentives.

The Legal 500's Country Comparative Guides are produced in association with the world's leading lawyers and give the in-house community a practical overview of the laws and regulations that apply in key jurisdictions, for specific practice areas.
