

Makarim & Taira S. Once Again Ranked in IFLR1000 Asia-Pacific 2022

The IFLR1000 has been doing research on legal markets around the world since 1990 and remains the only international legal directory dedicated to ranking law firms and lawyers on the basis of financial and corporate transaction work.

Because of the high standards they apply in their research, not many Indonesian law firms have made the list of Top Tier Firms in the IFLR1000 Guide. Therefore, being recognized by this globally trusted legal directory is always a great honor for us as a firm.

This year, Makarim & Taira S. is once again ranked as a Top Tier Firm in several practice areas such as Banking, Capital Markets, M&A, Project Finance, Restructuring and Insolvency and Project Development.

Of course, we owe this achievement to our remarkable Partners as well as our talented and dedicated teams at the firm. We also hope that it can be seen as a reflection of our clients' satisfaction with our services and assistance given to them with their legal needs which have allowed them to pursue their organizational objectives.
