

Makarim & Taira S. Shortlisted Firm of the Year & Rahayu Ningsih Hoed Shortlisted Lawyer of the Year in the Benchmark Litigation APAC 2022 Awards

[Makarim & Taira S.](#) has steadily cemented itself as a go-to litigation outfit in the Indonesian market since reopening its litigation department over 15 years ago. The firm has assisted clients in a broad array of disputes from general commercial litigation through to complex employment disputes and contentious insolvency matters.

Our long, 40+ year, trajectory as a corporate firm sets us in good stead when advising on complex disputes. Our litigators understand how clients work on a commercial level and bring this insight to the contentious matters we handle. This sets us apart from litigation boutiques and allows us to provide more nuanced advice to clients.

Our focus remains on achieving the best results for clients but we are proud that our work has been recognized by [Benchmark Litigation](#) for several consecutive years now.

This year, [Makarim & Taira S.](#) is shortlisted again as Firm of the Year in the [Benchmark Litigation](#) Asia-Pacific 2022 Awards. Additionally, we are honored to have our Senior Partner, [Rahayu Ningsih Hoed](#), shortlisted as Lawyer of the Year in the same awards. These awards celebrate the leading litigators and most impactful disputes across Asia-Pacific based upon the information captured in the submission for the latest edition of Benchmark Litigation Asia-Pacific.

We believe that being a female-led practice sets us apart in the Indonesian market and we are proud to be disruptors in what is generally viewed as a male-dominated practice area.
