

Maria Sagrado Speaks on Investment Opportunities at Manufacturing Logistics Forum in Singapore

Our Managing Partner, [maria sagrado](#), joined a distinguished panel of speakers in the event called, “Enhancing Logistic Efficiency for Manufacturing in Indonesia,” to share insights into investment opportunities in Indonesia alongside [Julian Kwek](#), a [Drew & Napier LLC](#) Director. The session was held in the Drew & Napier Ocean Financial Center, Singapore.

On 14 November 2025, the event brought together key figures from government, industry and logistics to discuss Indonesia’s rapidly evolving manufacturing landscape.

The program also featured presentations given by:

Mr. [Saribua Siahaan](#) – The Ministry of Investment and Downstream Industries (BKPM)

Mr. [Andria Buchara](#) – The Indonesia Investment Promotion Centre (IIPC), Singapore

Ms. [Mian Ying Chen](#) – Executive Director, Head of Industry, Sector Solution Group

Mr. Kevin Tan – First Vice President, Head of Logistics, Sector Solution Group

Mr. [Abednego Purnomo](#) – Vice President, Subang Smartpolitan

Mr. [Pierre Avesque](#) – President Director, PT Patimban Global Gateway Terminal

The discussions covered infrastructure development, supply chain efficiency, government support for industrial growth and the strategic role of West Java and the Patimban Port—underlining Indonesia’s growing attractiveness for global manufacturers and investors.

We extend our thanks to all parties involved in this event, especially Mr. [Samuel Houten](#) of the UOB Indonesia FDI Advisory team. We look forward to seeing increased investment interest from Singapore-based companies as the development of the Patimban Port continues to enhance logistics efficiency and support manufacturing operations in Indonesia, particularly in West Java.
