

Our partners representing Makarim and Taira S. at the high-profile networking event organized by the Indonesian Consulate General in Hong Kong

As Indonesia continues to make impressive strides in infrastructure development, the Indonesian Consulate General in Hong Kong recently organized a high-profile networking luncheon at the Ritz Carlton Hong Kong, bringing together key figures in the Hong Kong business community, including potential investors.

Held on 16 March 2023, the event was attended by Makarim and Taira S., the chairman of the Indonesian Chamber of Commerce in Hong Kong (INACHAM HK), representatives of Reynolds Porter Chamberlain Hong Kong, the Hong Kong Association of Industries and Commerce of Tuen Mun, diaspora entrepreneurs, and investors from Cheerway International Trading Ltd.

Two of our partners, [maria sagrado](#) and [Heru Mardijarto](#), representing Makarim and Taira S., shared their insights on the significant improvements to infrastructure and the investment climate throughout Indonesia. These positive developments are continuing to spur an increase in investment and capital, especially beyond Java Island.
