

BKPM ONE DOOR SERVICE UPDATE

Since the One Door Service/Pelayanan terpadu Satu Pintu (“PTSP”) at BKPM was launched on 26 January 2015, 22 Ministries and Institutions have placed officials in BKPM. These officials are working together with BKPM in issuing licenses for Foreign Investment. With this system, several licenses issued by Ministries and Institutions are delegated to BKPM.

There are 132 licenses processed in PTSP 100 licenses from them are delegated to BKPM, while the rest are still issued by the Ministries/Institutions but can be applied for through PTSP.

All application forms in the future can be obtained on BKPM's website www.bkpm.go.id but up to now the BKPM is still in the process of uploading the applications.
