

Registered Foreign Electronic System Organizers in Indonesia. What to do next?

As many existing foreign private Electronic System Organizers (foreign ESOs) have registered with the Minister of Communication and Informatics (MOCI) to comply with MOCI Regulation No. 5 of 2020 on ESOs in the Private Sector (as amended), this Advisory covers ‘what to do next?’ so that foreign ESOs that have been registered are aware of their key obligations once they are registered with the MOCI.
