Share a Life, Donate Blood

Last 6 December 2018, Makarim & Taira S. hosted a blood drive at our office where over 130 volunteers participated. The blood drive is an annual activity held in cooperation with the Indonesian Red Cross/Palang Merah Indonesia (PMI). With this CSR program we hope to inspire more people to give back and save lives, to engage with more donors to continue giving blood, as well as encourage more involvement from the community around our office. This year we collected a total of 75 units of blood which were turned over to PMI.
